

## 1980 Records

*The Utica-Rome Speedway was promoted by former driver Chuck Mahoney in 1980. The season was highlighted by battles with the local health department, opening late, and a situation where Mahoney was arrested for ramming spectators with his car. Much of the season records and results were not in the newspaper, a sign of poor management and promotion.*

**Track Champions: Jon Button (Small Block Modified)  
Tom Williams (Late Model)**
