

Track Champions: Paul Jensen (Outlaw Modified)
 Tom Sears Jr. (Street Stock)
 Mike Rolewicz (Pure Stock)

In 1989, the New Venture Int'l Speedway was rescued by Bub Benway, Eric Kingsley, and Gisele Kingsley from Fulton Speedway and re-opened in June as the "New" Utica-Rome Speedway. Turns one and two were shortened considerably and made the track into a flat half mile. The track ran Fulton "Outlaw" rules thus making a two track circuit under the same rules. Marcia Wetmore, PR guru, did the track publicity.
