**\* The track ran NEARA and open competition specials throughout the entire 1977 season.**

**Bodine's track title is based on only three events: 7/31, 8/28 (100), and 9/04.**

**Otherwise, it appears as if Sonney Seamon would have been the track champion.**

**\*\* The first four weeks of the 1998 season were run under the New England Region of the NASCAR Racing Series. After a change in track management, NASCAR was dropped and the track was an independant.**

**NASCAR Champions were for the first four races.**
